

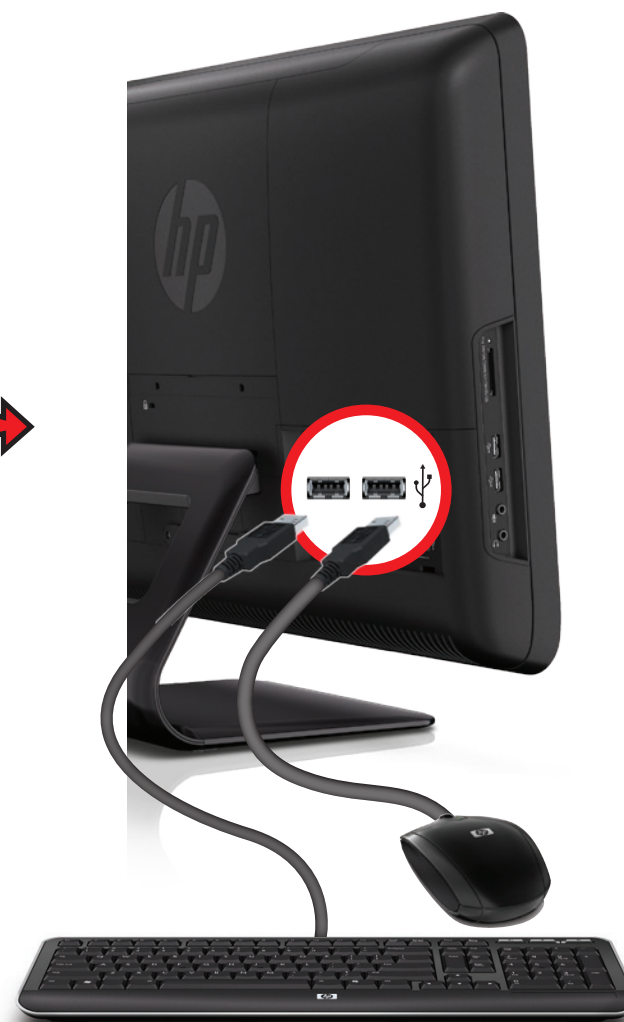

Diagram 2 shows the front of the device. A red circle highlights the USB port, and a green arrow indicates the direction to insert the USB cable. A separate USB cable with a pink arrow pointing into its connector is shown to the right.

または

A large HP Pavilion monitor is shown from a three-quarter perspective. A blue hand icon with a white outline is pointing its index finger towards a red circle located at the bottom right corner of the monitor's bezel. The monitor has the HP logo in the bottom left and 'HP Pavilion' in the top right. The screen is dark and reflective.
